

What every successful landlord needs: location, location, location. And Insurance.

Owning an investment property should be a rewarding experience, but tenant trouble or plain bad luck can turn it into a drama if you don't have the right insurance cover.

Issues such as job loss or illness can lead to tenants defaulting on rent or abandoning the property. Even with perfect tenants, events like storms, earthquakes, fire and burglary can damage the home and contents.

EBM has created the RentCover range of products to help you protect your asset and its earning power against damage and rent loss. Competitively priced and broad in cover, RentCover policies allow you to relax and let your investment earn money.

We know all the 'ins' and 'outs' of investment properties, and when you make a claim our team will ensure that you get prompt, personal attention. Most claims are settled within five days.

The features of EBM's *RentCoverUltra* along with *RentCoverPlatinum* are outlined in the table to the right.

RentCover Underwriting Agency Pty Ltd is an authorised representative (AR No. 325630) of Elkington Bishop Molineaux Insurance Brokers Pty Ltd ABN 31 009 179 640, who is an Australian Financial Services Licensee (AFSL No. 246986).
